

VOOG bench

Design by
Kersti Lootus

Bench as a landscape design element. Voog is a seat with a serpentine backrest which looks like as if its flowing from the ground. The harmonious and landscape-blending soft shape attracts attention with its impeccable discreetness. Attachable LED profiles help to create the right atmosphere during dark times.

Voog family has a classic three-seater bench, a chair and a 2-person sun lounger.

FEATURES

Voog bench is designed for comfortable breaks to enjoy moments in the company of a book or a good companion.

Voog is characterized by a meandering and harmonious silhouette.

Underground installation which makes the maintenance of the surrounding easy.

Possibility to add durable IP67 LED lighting.

No visible fixing materials on the top surfaces of the wooden parts to ensure a pleasing look and feel of the products.

The hot-dip galvanized and powder-coated steel frame and high-quality, knot-free wooden material makes the product very resistant to weather and use.

Extery quality without compromise- harmonious design, carefully selected materials and engineering considered to the last detail.

WOOD

The wood selection includes double layer oil coated knot-free thermo-treated ash and tropical wood. Tropical wood has no top coat.

Thermotreated ash (oiled)

Tropical wood

Painted pine
RAL 7047

METAL

The steel frame is available in hot-dip galvanized and powder coated finish. The hot-dip galvanizing is done according to ISO 1461:2009 standard.

RAL recommendation by designer:

RAL 7016
+ graffiti protection

RAL 7039

RAL 9005

RAL 7047

INSTALLATION

Anchored to a concrete foundation, ~180 mm below the ground.
